

HARVEST REGATTA

August 31st and September 1st

2024

NOTICE OF RACE

You are cordially invited to participate in the 2024 Harvest Regatta, hosted by the Eugene Yacht Club. The Regatta will be governed by the rules as defined in the Racing Rules of Sailing 2021-2024, except as any of these may be altered by the Sailing Instructions or by class rules that do not conflict with the Rules or Sailing Instructions.

Format: Seven races are scheduled. One race constitutes a regatta. Sailing Instructions and Course Sheets will be available on August 31st at the Regatta site.

Classes: The Regatta is open to all one-design Portsmouth, and PHRF classes. Classes participating in recent

years have included Thistle, Lightning, Star, Day Sailers, Snipe, Laser, Santana 20, Lido 14, Holder 20, Ultimate 20, Pelican, Wavelength 24, multi hulls and several PHRF Keel boat categories (with valid current certificates from PHRF Northwest). We will be promoting a cruising class this year, which will be a bit more casual with no spinnakers. If you don't know or have your PHRF rating we can help you find the right one.

Scoring and Trophies: Five or more registered boats in a class will be scored as a Fleet. Provisions will be extended for handicap racing in a Portsmouth Centerboard Fleet. Trophies will be awarded according to the number of registered boats in each Fleet.

Registration: Eligible boats may enter by completing the Registration Form online on the EYC website, www.eugeneyachtclub.net. or at the event at Eugene Yacht club. Payment for meals, shirts, and entry fees can be made online or at the event. Entries will be accepted until 11:00 AM on August 31st. Find registration form online at www.eugeneyachtclub.net Entry Fees are \$85. A \$10 dollar discount for entries made before August 23 will be applied and a \$5 discount for US Sailing membership also will be applied.

Insurance: Competitors participate in the Regatta entirely at their own risk. See Rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the Regatta. Each participating boat shall be insured with valid third-party liability insurance with a minimum coverage of \$100,000 per event or the equivalent.

Mail Completed Registrations: (not necessary if registered online)

PLEASE PAY PARTICULAR ATTENTION TO THESE EYC GROUND RULES

1. Please observe the ground signs and instructions for camping, swimming and parking of boats, cars and recreational vehicles. If you arrive late (after 10:00 pm on Friday), please park and camp in the area just to the right inside of the EYC gate. ***Please keep cars off the front lawns (they are soft and we have a delicate underground irrigation system) by using the available trailer dollies to move boats.***

2. ***Under no circumstances are pets of ANY kind allowed on yacht club grounds,*** (Except for service animals), even if they are left in a vehicle or other enclosure. If you would like to bring your pet, camping is available at Lane County's Richardson Park, immediately northwest of the EYC ground.

3. Alcoholic beverages may be consumed discreetly and in moderation on Club grounds.

4. Be conscious of safety. Please watch your children when they are on EYC grounds, even though they may be in the designated swimming area. Please don't run, jump, or fish on or from the docks. ***Small children must wear life jackets at all times while on the docks or near the water.*** Child safety while on EYC grounds is a parent's responsibility.

5. Camping is available on the lawn near the club house.

6. There is also two Cabanas available near the club house for \$120 each for the weekend.

Be sure to register early if you want to rent one of these.

7. ***For those who plan to bring an RV:*** Eugene Yacht Club, at the insistence of the County Fire Marshall, can no longer permit electrical cords, hoses and water pipes to cross vehicle traffic areas. Very few Club RV parking spaces are equipped with power hookups. Most RV campers using EYC grounds will therefore need to be fully self-contained
